

As a reminder to all lottery retailers, North Carolina General Statute 18C-131(d) prohibits the sale of lottery tickets to a minor, and any person who violates this statute is guilty of a Class I misdemeanor. Retailers should be mindful that monitoring and enforcement of this law will be ongoing.

In addition, by signing the North Carolina Education Lottery Retailer Contract you agreed to the following:

Retailer will not sell lottery tickets to anyone under the age of 18. No prize shall be paid to a person under the age of 18.

Sale of a lottery ticket or payment of a prize to any person under 18 years of age may be grounds for suspension or termination of the North Carolina Education Lottery Retailer Contract and may also be grounds for rejection of any subsequently filed application for a new contract for a minimum of one year.

North Carolina Education Lottery retailers are obligated to establish such safeguards as are necessary to ensure that no sales are made or prizes paid to persons under the age of 18. If there is any doubt about the age of the player, please verify their age by asking for proper identification prior to the sale of any lottery ticket.

We appreciate your support and look forward to a successful partnership with each of you to help create a bright future for North Carolina's students.
